

Coronavirus

03.02.2020

- The coronavirus outbreak has killed at least 358 people and infected more than 17200 globally, as it continues to spread beyond China. One person outside mainland China, a man in the Philippines, has died.
- A second Wuhan coronavirus patient is being treated with a combination of HIV/AIDS and flu drugs that officials from Thailand's Ministry of Health say were successful in treating another infected patient, Thai officials said at a news conference Monday.
- Nearly 60 million people remain under lockdown in Chinese cities as international researchers race to develop a vaccine and halt its spread.
- The number of Wuhan coronavirus deaths in mainland China has overtaken the 2003 severe acute respiratory syndrome (SARS) epidemic in the country.
- Major international airlines such as Air Canada, American Airlines, British Airways, Delta, Lufthansa, Turkish Airlines and Qatar Airways have already suspended all flights to and from mainland China until the end of February or longer.
- The UK Government has pledged £20 million (\$26 million) to develop new vaccines for coronavirus and other infectious diseases, the UK Department of Health and Social Care announced Monday.

Confirmed cases of Wuhan coronavirus

- The G7 nations will hold a joint telephone conference to discuss how to deal with the coronavirus outbreak.
- The Maldivian government has announced a series of new precautionary measures against the Wuhan coronavirus that include denying entry for passengers arriving from mainland China.

- Chinese stocks recorded their worst day in years on Monday as investors finally got a chance to react to the worsening coronavirus outbreak.
- Hong Kong's hospital union will expand its strike on Tuesday, following a breakdown in negotiations with the government and the organization on Monday night.
- The Vatican has shipped hundreds of thousands of face masks to the Chinese provinces of Hubei, Zhejiang and Fujian in response to the coronavirus outbreak.
- Pakistan has resumed direct flights with China for all Chinese and Pakistani airlines.
- More than 250 people from 30 countries have arrived in France after being flown out of Wuhan, the French plane landed at a military airbase in southern France. Sixty non-European nationals, from countries including Mexico, Brazil, Rwanda and Georgia, were staying in France for a 14-day quarantine period.
- A cargo plane has arrived in the Turkish capital from Wuhan, the plane reportedly had Turkish and Georgian citizens on board, along with one Albanian.
