

Coronavirus

06.02.2020

- The coronavirus outbreak has killed more than 560 people and infected more than 28,500 globally, as it continues to spread beyond China.
- Two newborn babies in Wuhan have been infected, according to China's state broadcaster. The youngest was diagnosed at 30 hours' old.
- Vietnam has confirmed two additional cases of the Wuhan coronavirus, as all schools stay shut.
- The US ambassador to the UN in Geneva has urged the World Health Organization (WHO) to "engage directly with Taiwan public health authorities" in the fight against the coronavirus.
- A third person has tested positive for coronavirus in Britain. Elsewhere in Europe, one more person has tested positive for coronavirus in the German state of Bavaria, the region's health ministry has said, bringing the total of cases in Germany to 13.
- More than 7,300 people are being quarantined on two cruise ships off Hong Kong and Japan because of concerns that passengers and crew have been exposed to the Wuhan coronavirus. It has 1,045 crew and 2,666 passengers -- including 428 Americans -- on board, and ended its planned 14-day itinerary early.
- Three people from the United States are among 20 cases of the Wuhan coronavirus that have been confirmed in passengers on the Diamond Princess cruise ship quarantined off Japan.
- China's ambassador to the UK has called the global reaction to the coronavirus epidemic an "overreaction" and criticized the media for a "bias" against China.
- The Bill and Melinda Gates Foundation is donating \$100 million to coronavirus relief efforts
- Chinese officials lashed out today at a growing number of international airlines and countries for suspending flights to China, criticizing the measures as "neither cool-headed nor rational."
- Dutch airline KLM and Air France suspend all flights to mainland China.
- The US will send its last evacuation flights this week.
- Chinese trains are seeing 80% fewer passengers than normal, as people stay home.
- Saudi Arabia has suspended travel to China for Saudi citizens and residents, state news agency SPA reported today.
- Taiwan has raised its travel advisory for travelers from Hong Kong and Macao.

Confirmed cases of Wuhan coronavirus
